Dear Contestant,

It gave me great pleasure in being Official Race Starter for this years event of the Nepean Triathlon and it was pleasing to see so many competitors. This event has become an annual calender event in Penrith and continues to grow each year.

I must congratulate the organizers for the time and tremendous effort they put into organising such an event.

I hope to see all of you next year for an even bigger and better race.

Yours faithfully,

## RACE REPORT

What a setting! The magnificent Nepean River and its manicured lawns, with the Blue Mountains providing the backdrop to the race of the year. Twelve hundred competitors lined up in five waves identified with different coloured swim caps faced the starting gun to be fired by local State Member Guy Matheson placed high on the Nepean Belle Paddle Boat.

7.00 am and the first elite competitors yellow capped wave hit the water. This was only wave to cause officials trouble at the start with some competitors cheating by being in front of the starting bouys despite constant warnings from officials. All other waves entered the water in orderly fashion at set five minute intervals and an excellent swim leg followed.

With \$500 for first out of the water in the Speedo Swim Leg for both males and females the race was on in earnest. The field contained the best triathletes assembled in Australia and included previous winner Greg Stewart, Triathlon Series Leader Spot Anderson, Brad Bevan, Antony McKeon, Chris Bately, Simon Skillicorn, Miles Stewart, Greg Welch, Glen Forbes, Tony Sattler, Greg Brown, Stu McNeill and Troy Fidler with the women's field having 1987 winner Sue Turner, Louise Bonham, Carol Pickard, Loretta Garrett, Tracey Ellingham and the only two time winner of the event Annette Dwyer.

With Marc Dragan's expert commentary geeing up the crowd the atmosphere was electric as Brad Bevan hit the exit ramp \$500.00 richer in a time of 10:20 closely followed by Simon Skillicorn and local swim champion Alan Bentley. Carol Pickard picked up the money as first lady with Tracey Ellingham, Sue Turner, Louise Bonham and Loretta Garrett coming out in strong positions. Carol's time was 10:40.

On to the ride and Antony McKeon was the big mover putting in a time of 53:30 to move up to be level at the end of the ride with Spot Anderson who rode 54:20. Spot's lightning transition change put him through the time gate \$500.00 richer as the Peter Bundy Cycle leg champion closely followed by Antony. It looked as the two had the race in their keeping as daylight was third going out on the SWB Community Credit Union run leg.

The women's event was creating as much excitement with Marc Dragan again getting the crowd going for the ladies bike stage prize. With accurate positions being relayed back from the many aid stations it was evident that Louise Mackinlay Bonham was making the big charge on the bike. Carol Pickard and Louise flew up the finish straight, however, Louise in her bid for the Peter Bundy Award lost the bike on the wet corner coming into the transition area. Unhurt she decided to run her bike into the compound and Carol easily picked up the stage money. Louise completed the bike leg in 58 minutes with Lorretta Garrett 2nd fastest in 59:40 and Carol next in 60 minutes. Drafting on the bike leg was kept under control, however, 28 competitors were disqualified for blatantly breaking this rule.

Spot was consolidating his lead in the run leg, however, McKeon started looking over his shoulder as the big runners in the race Greg Stewart and Greg Welch started to move through the field. Stewart with a time of 40:10 moved past McKeon to take second and started to move on Spot. With the finish line in sight Spot pulled out the big finish to run up the now famous 2WS Nepean finish straight with its huge crowd cheering the Sydney sider home to win in a time of 1:47:20. Greg Stewart was second in 1:47:50 with Antony McKeon third in 1:48:10 holding out the fast finishing Greg Welch who finished fourth in 1:48:30.

Louise Bonham was looking fresh as she started the run in pursuit of Carol Pickard and with a run time of 47:40 she hit the lead. Lorretta Garrett also came home strongly with a run time of 48:50 to finish in third place behind Louise and Carol. The fastest female runner was Annette Dwyer who ran an excellent 45:40.

As each competitor finished they were presented with a specially minted Bicentennial finishers medallion by the 2WS girls and treated to a well deserved finishers breakfast of fresh fruit and products provided by Sustagen Gold and Sunnibrite health cakes. Most competitors also took advantage of the 50 Masseurs in the recovery area to get those legs back into some working order. The race committee pride themselves in providing a well run high value for money event for all competitors and thanks in this area go to the SWB Community Credit Union, Panthers, Speedo and Peter Bundy Cycles who all get right behind the event and competitors.

In all a great race, an excellent field and thanks to the many competitors who continue to make our race the largest event of its kind in the Southern Hemisphere.

The 1989 race will again be held on the first Sunday in December and as there will again be a race limit of 1200 it is suggested that competitors enter early to avoid being turned away as has happened over the past two years.
