18 December, 1990

Dear Competitors,

Once again it was my privilege to start the 1990 Triathlon and present the winners awards.

Participating in this way, reinforced to me the tremendous growth we have seen in recent years in your sport and in this particular event.

Without doubt, Penrith provides an ideal setting for such a competition, but without your commitment to this sport, young people of this area would not be encouraged to take up this sport, we as spectators would not be entertained and the City of Penrith would not benefit from the spectator generated tourism.

Last but certainly not least, the organizers of this years Triathlon are to be commended for their efforts in making this day such a great success.

I thank you all for the opportunity of participating in this way.

Yours sincerely

GUY MATHESON MP  
MEMBER FOR PENRITH

# Banana benders' triathlon sweep

**SUPERB** rides during the bike leg set up wins for Queenslanders Brad Bevan and Liz Hepple in last Sunday's 2WS Nepean Triathlon.

The prestigious event attracted a maximum 1200 starters and was incident-free.

That was no doubt helped by the organisers' decision to start the race early to ensure the bikes would be off the road before the build-up of motor traffic.

Everyone who finished

By GREG MARTIN

the triathlon was a winner, but it was Bevan and Hepple who carried off the lion's share of the accolades.

Bevan wiped the memory of his narrow loss to Greg Welch in last year's race by virtually leading throughout to take the winner's \$1500 cheque.

The Queenslanders were second out of the water, only centimetres behind Lach Vollmerhouse, but

once on the bike quickly put a gap between himself and the others.

Bevan powered away for the 40km ride to grab a two-minute lead over Victorian, Tim Bentley, as he started out on the 12km run to the finish.

Bentley took ground from him in the run but the post was too close.

Bevan won in a smart 1h:47m:50s with Bentley 23 seconds astern in second possie.

Sydney's Bruce Thompson also performed well in the running leg to finish third, another 32 seconds behind Bentley.

Hepple blitzed her rivals on the bike and then coasted home in the run to record 1h:57m:15s to win by just a little more than two minutes from Griffith's Jackie Hallam and another Queensland, Bianca Von Wesick.

In the battle of the locals perennial winner, Tim McKay was hampered by a leg injury and had to be content with second placing behind Penrith's David Richardson.

He ran the trip in 1h:53m:30s.

Eighteen-year-old Richardson performed well on all three legs and can look to a bright future in the sport.

The first local woman home was Faulconbridge's Judith Conning who scored by more than two minutes (2h:34m:21s) from Denise Mills.

**BRAD** Bevan receives the plaudits of spectators as he cruises to the finishing line.

**BIG** Red — Olympic swimmer Janelle Elford — congratulates Lightning Liz Hepple on her win.
