Dear Triathletes & Supporters,

I am very proud to once again take part in the presentation at the conclusion of the Triathlon.

My congratulations to all the competitors for a great effort. What a spectacular event this Nepean Triathlon has become, with over a thousand entries, and for this the organisers must also be congratulated. We are very lucky here in Penrith to have the wonderful asset of the Nepean River for such a contest.

I applaud the winners of this event for such an outstanding performance over a gruelling course and I thank you all for inviting me to share this wonderful day with you.

Yours sincerely,

Ald Faye Lo Po

To all Competitors

Congratulations to all finishers in the 1992 2WS Nepean triathlon and to our outright and age group winners.

Thanks goes to 2WS and our major supporting sponsors, the SWB Community Credit Union and Panthers together with Saucony, Fred Falzon Endurance Sports and Panther Cycles. I hope all competitors enjoyed our great post race finish reception sponsored by Sustagen Gold, Uncle Tobys, Schweppes, Neverfail and the Nepean College of Natural Therapeutics.

Thanks also to the many sporting and community clubs that supply the many first aid officials and marshalls on race day. This year \$14000 was distributed to these groups and we thank them for their efforts in making the day a success.

Dont forget the the Penrith Lakes Long Course Triathlon on 14th March 1993 and the inaugural Panthers NSW Junior State Championships at the exciting Panthers ski lake complex on 31st January 1993.

Magnificent Monique

Steadfast in stamina test

DISTANCE runner turned triathlete Monique Ploeg utilised her stamina to be the first local female finisher in the 11th 2WS Nepean Triathlon held in Penrith on Sunday.

Ploeg, of St Marys, completed the 53km course in the time of 2 hours 22 mins 54 secs and was the eighth overall woman finisher and the first non-professional woman home.

Her effort gave her a first-placing in the women's 19 years and under category.

Race director Warwick Brennan said Ploeg mowed down her competitors during the run leg for the finish line.

"Apart from maybe two of the professionals who were competing, she was the strongest woman runner there," Brennan said.

"She's been competing in triathlons only 18 months and has been working on her swimming and cycling, which should make her a future champion."

Her performance during the second-half of the event was remarkable, considering she was in 30th place after the 1km swim leg.

Glenbrook's Ollie Weber (2:01.22) was the first local male to finish

and also managed a second-placing in the men's 20-24 age group.

Weber is aiming for selection in the Australian world championships squad next year.

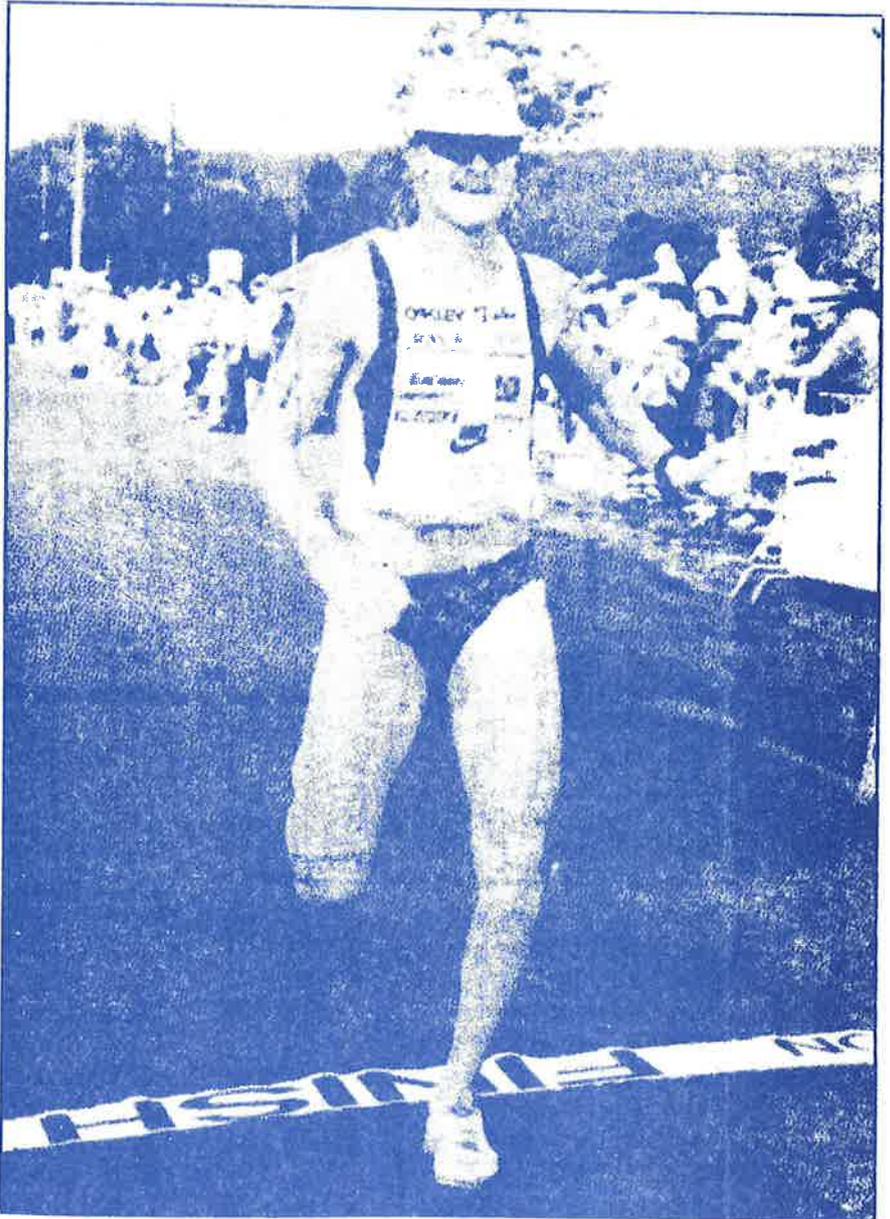

He hopes to travel to England next year to compete on the European triathlon circuit to enhance his chances of making the squad.

Other locals to do well included Springwood's Ben Artup (2:02.43) who finished second in the 17 and under, Werrington's Tim McKay (2:03.34) who won the 35-39 open age group and Bob Kenzevic (2:10.32) who finished second in the 40-44 category.

Victoria's Tim Bentley (1:49.43) was the overall men's winner while Rina Bradshaw (2:05.10) of Queensland was the first female to finish.

The race attracted 1150 competitors, including 350 locals.

The Nepean Triathlon is the largest event of its kind in Australia and requires competitors to swim 1km of the Nepean adjacent to Tench Reserve, cycle 40km to Wallacia and back and run 12km through Emu Plains and Leonay.

Door opens at last for Vic visitor

TRIATHLON

A REGULAR Victorian visitor to the 2WS Nepean Triathlon in recent years finally came up trumps in the huge event last Sunday.

And while the top local female prize went to the favorite for that honor, a bolter overcame the two main contenders for the top local male award.

The overall winner of the triathlon was Victoria's Tim Bentley, who completed the swim, cycle and run legs in 1.49.43hr.

"He's supported the race for the last five years straight and has had a second and a third," race director Warwick Brennan said. "He's been knocking on the door."

Bentley beat last year's winner, Sydney's Marc Dragan, while Chris Doherty, who is from Armidale but trains on the Gold Coast, repeated his third placing of last year.

The other top-five finishers were Australian Triathlete of the Year Ben Bright and Marc Lees, who train together on the Gold Coast.

Another of their training partners, Rina Bradshaw, won the overall female prize with a time of 2.05.10, maintaining an incredible record of winning every

triathlon she has been in since coming into the sport this year.

She beat Maureen Cummings, of Sydney, and another Gold Coast entrant, Jackie Gallagher.

It was a double celebration for the first local female, Monique Ploeg, of St Marys, whose time of 2.22.54 also won her the women's 19-and-under age group.

The first local male winner was 21-year-old Ollie Webber, of Glenbrook, in 2.01.22, beating Springwood

teenager Ben Artup (2.02.43) and Werrington Downs veteran Tim McKay (2.03.38).

Artup led the trio out of the water and off the bike but Webber passed him in the run.

Brennan said Webber had been a member of the Panthers Tri Club for about three years and that while he had had some good performances, this was "no doubt his best result".

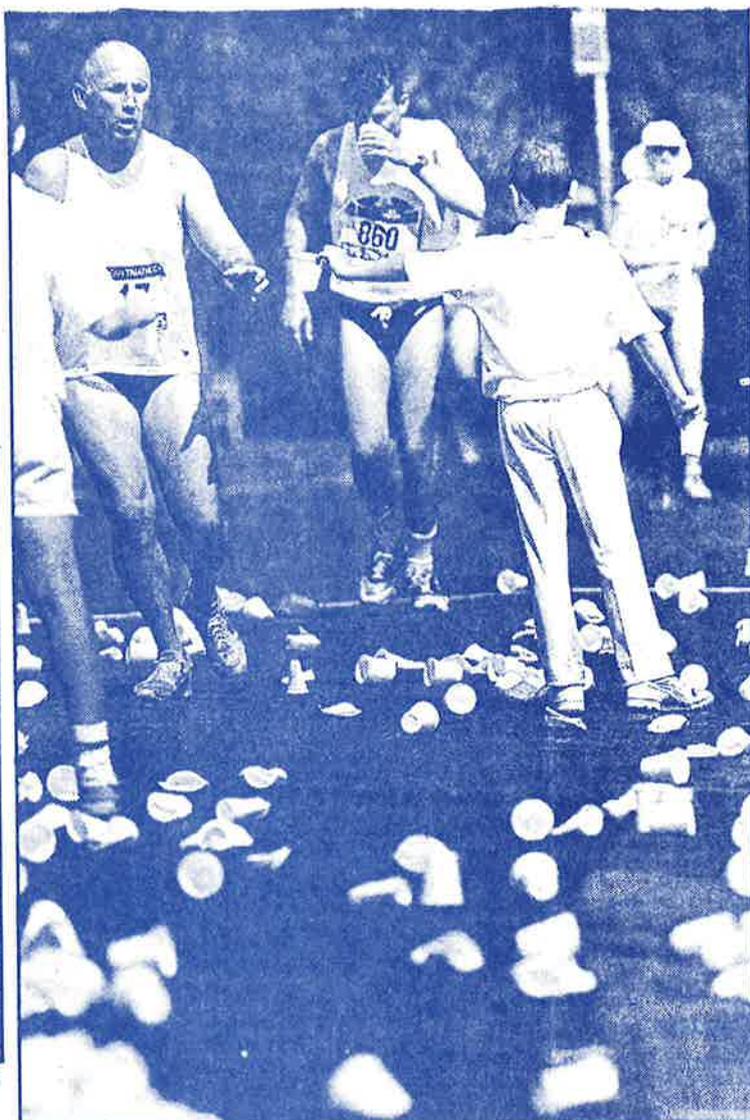

Webber's effort also earned him second spot in the 20-24 age group, while Artup was similarly placed in

19-and-under. McKay was first in 35-39, while other locals who figured in age group placings were Bob Knezevic, second in 40-44, and John Ross, first in 50-54.

Brennan said that of the 1200 entrants, there were about 350 locals.

He acknowledged the continued support of sponsors 2WS, Panthers and the SWB Community Credit Union, and thanked the 400 marshalls from Penrith and Emu Plains sporting clubs.

SWIM LEG

The race committee contracts out the setting up and marshalling of the swim leg of the triathlon to Mark Pringle's Prestige Aquatic Services Pty Ltd. Mark apologises for the long swim which was due to human error on the day. He would like to assure all competitors that the swim next year will be accurately measured.
