# 1997 RACE RESULTS

## **TO ALL COMPETITORS**

**Congratulations to everyone who completed the 1997 ONE FM / WESTERN WEEKENDER Nepean Triathlon including our two winners Trent Chapman and Joanne King. Also to Tim Bentley for helping to provide the closest finish to a Nepean Triathlon since its inception and for setting a record of five consecutive wins which will probably never be broken. Congratulations also to Beth Thomson from Perth, the world junior silver medallist, for second place and to Ben Artup and Tracey Hargreaves for their third outright placings.**

**Thanks to all our Sponsors, particularly One FM, Western Weekender, Panthers, Clarendon Homes and our leg sponsors Saucony, Universe Cycles and Lightfoot. Please support them as they are responsible for ensuring that the Nepean Triathlon continues to be the best value triathlon in Australia.**

**Thanks also to the many sporting and community clubs that supply the 300 first aid officials and course marshals on the day. This year a further \$9800 was distributed to these many organisations. Thanks also to Triathlon NSW for providing our race judges and officiating on the bike leg.**

**Congratulations to our six 16 time finishers - Greg Chapman, Glen Mallard, Peter Smith, Trevor Hamilton, Greg Davies and Eugene Irvin.**

## **TRIATHLON SPORTS MAGAZINE CLUB SHIELD**

**Congratulations to the Panthers Triathlon Club for winning the Triathlon Sports Magazine Club Shield and to Cronulla for providing such close competition in coming second with only 46 seconds separating both clubs. Macarthur Triathlon Clubs also had some strong results however their bid for the shield was upset by a two non finishers in their team. This club team format proved a great success in that strength right through each club is required and this format will be extended next year. Look out for the story and photos on both the Panther and Cronulla teams in an upcoming issue of Triathlon Sports Magazine.**

Prestige Aquatic Lifeguard Service	Tina Carter's Swim Squad

# Trent No. 1 in the West

Story and photography by Peter McLean

Penrith local Trent Chapman outran his nemesis Tim Bentley to win the 16th annual ONE FM Western Week-End Nepean Triathlon held last Sunday.

Trent completed the 1km swim, 36km cycle and 10km run in a time of 1 hour 38 minutes and 1 second.

Five times winner and defending champion Tim Bentley, from Victoria, finished second just four seconds behind Trent with another local, Ben Artup, taking third, a further 17 seconds back.

Trent battled it out with Bentley, Artup, Jason Harper and local top competitor Leigh Birch throughout the swim and the cycle legs before pulling away on the final 10km run.

Trent was excited to win his local triathlon but even more so because he was able to beat Bentley, who had beaten him into second place last year. Trent said it would have been a hollow victory had Bentley not been in the race to defend his crown.

Joanne King, also from Victoria and defending champion, won the women's race in a time of 1 hour 48 minutes 43 seconds.

King virtually led from start to finish beating her nearest rivals Beth Thompson, who placed second, and Tracey Hardgraves, third by almost three minutes.

Lisa Fletcher was the first local woman to complete the course and was fifth outright among the professional women with a time of 2 hours 7 minutes and 58 seconds.

The race started at 6 am from Tench Reserve near the M4 overpass with 700 competitors starting in seven waves with professional men and women leading the way.

The Nepean River was at its majestic best with water temperature at an almost perfect 23 degrees.

Jason Harper led the field from the water in the Lightfoot swim leg with Trent, Ben Artup and Leigh Birch hot on his heels.

Bentley was not in the first pack to exit the water and had to work hard to catch the locals during the cycle.

The lead exchanged hands throughout the Universe cycle leg which took the competitors from Penrith along picturesque Mulgoa Road to Wallacia, before returning along the

Northern Road and the M4 to Tench Reserve.

Ben Artup led the race at the end of the cycle leg followed closely by Jason Harper, Trent, Bentley and Matthew Reid.

Trent and Ben Artup led Bentley out of the transition and from that time Trent was never headed.

By halfway in the Saucony run Bentley had passed Ben Artup and had closed the gap to Trent to less than twenty metres.

The hill at the seven kilometre mark proved to be the decisive factor in the race. Although Trent felt as though he was only running slowly up the hill he said that his extra hill train-

ing allowed him to put some distance between himself and Bentley.

Trent knew he had the race won with two hundred metres to go. Trent said he couldn't explain how he felt: "My body was just gone but I was so high, it felt great," said Trent.

Joanne King was the first woman out of the water. King matched it with the top men for most of the cycle leg arriving back at the cycle to run transition within a few minutes of the male leaders, just as some of the slower competitors were finishing the swim section of the race.

None of the other female competitors could

match King on the cycle or run as she was unchallenged to the finish.

However the ONE FM Western Week-End Nepean Triathlon is not just for the elite athletes.

Most of the 700 competitors, including around 300 locals, were social triathletes who compete against themselves and other athletes of similar age and ability.

Penrith Panthers Triathlon Club member Aileen Williams, who has been competing in triathlons for four years, finished the race in 3 hours 47 minutes and 44 seconds, placing third in her age category.

1. Trent Chapman, Samantha Green, Greg Evans, Damon Carbon (ONE FM), Roger Porter (Aileen Williams), Tim Bentley, and Andy Haynes.

# TRENT STORMS HOME

## Local win tops his world third

by BRIAN BASSETT

TRENT Chapman received a tumultuous reception as he became the first local to win the Nepean Triathlon in its 16-year history on Sunday.

In a race which saw three runners — Chapman, Tim Bentley and Ben Artup — set up a wonderful contest, Chapman won by four seconds from Bentley with Artup less than half a minute away in third place.

Chapman, a Penrith boy at heart, considers his win even more memorable than the bronze medal he won in the World Junior Championships in Cleveland, US, two years ago.

Chapman has been competing since he was 12 years old and even though he now trains at Jindabyne he acknowledges the wonderful support he has been given by his father and the Nepean Triathlon Club in his formative years.

"Winning the Nepean Triathlon has been my biggest thrill in my sporting career," Chapman said. "I will definitely be back to defend it."

His win avenged his second to Bentley last year and broke the Victorian's record of five straight wins in the event. Chapman's winning time was 1hour 38.1mins.

## World class field contests triathlon

Sunday sees sport action at its best along the Nepean River, as local and interstate athletes compete in the Nepean triathlon proudly sponsored by Panthers, ONE FM, the Western Week-ender and Clarendon Homes.

The Nepean triathlon has been a highlight on the triathlon calendar since the inception of the sport in Australia, luring the nation's best triathletes year after year, as well as many participants who are entering the event purely to get fit or to complete a fun endurance race.

Each competitor will be awarded with a specially produced polo shirt, and a great finisher's medallion for those who complete the triathlon to commemorate their achievement, while place getters will bask in other fantastic prizes including cash, holidays and equipment.

Last year saw the first major opportunity for a local to win the Nepean event outright when Penrith's Trent Chapman led the field after the 1km swim, staying in contention during the 36km cycle and then running neck to neck with five time winner, Victoria's Tim Bentley in the 10km run, only to be beaten but retaining the outstanding position of second in a field of 800. Spectators must be sure to watch out for Trent in this year's event as he is expected to better his performance.

Ben Artup is another competitor that

spectators should keep their eye on, having come extremely close to a win in last year's triathlon.

Ben took the lead in the cycle leg and remained there in the change over to the run. Still in the lead, Ben realised he had miscalculated and put too much effort into the bike ride. The energy in his legs soon began to fade and he could do nothing as one by one, eight competitors passed him. He has since said his race plan will have a different outcome in this year's race and appears extremely confident.

The two Penrith hopefuls Trent and Ben, have been training together for the event on the Nepean course, and the word is the 1997 race winner will come from the pair.

In the female competition, Lisa Fletcher of Regentville is race favourite having won the first local female title last year. Lisa has just returned from the World Duathlon Championships in Italy where she came a creditable fourth in the 20-24 age group. Other local ladies, Tina Carter, Michelle Pinci and Naomi Boddy should also feature in the final results.

In conjunction with ONE FM who will broadcast live, Marc Dragan previous race winner and television triathlon commentator will call the race live from Tench Reserve, ensuring spectators are well informed.
