TO ALL COMPETITORS

Congratulations to everyone who completed the 1998 WESTERN WEEKENDER Nepean Triathlon including our two Queensland winners Luke Harrop and Louise Soper.

Thanks to all our Sponsors, particularly Western Weekender, Panthers, Universe Cycles, Profile and Powerbar. Also thanks to our finish area sponsors Powerade, Mars Bars and Sunrice. Please support them as they are responsible for ensuring that the Nepean Triathlon continues to be the best value triathlon in Australia.

Thanks also to the many sporting and community clubs that supply the 300 first aid officials and course marshals on the day. This year a further \$8200 was distributed to these many organisations. Thanks also to Triathlon NSW for providing our race judges and officiating on the bike leg.

Congratulations to our six 17 time finishers - Greg Chapman, Glen Mallard, Peter Smith, Trevor Hamilton, Greg Davies and Eugene Irvin. These six competed in the first triathlon in Australia and have done so for 17 years without missing one race.

We hope you enjoyed our race and hope to see you again in 1999. The 1999 race will be held on the 31st October weekend so as not to clash with all the Ironman qualifiers held at that time of the year.

Warwick Brennan, Ched Towns and the Nepean Triathlon Committee.

Conditions favour Queenslanders

Penrith Triathlon competitors took on the heat as well as each other on Sunday

POSSIBLY savouring the muggy conditions, two Queenslanders came up trumps in this year's Nepean Triathlon which was held on Sunday.

Luke Harrop was the outright winner of the event, leading home around 500 triathletes, while Louise Soper was first home in the women's section.

Harrop's winning time of 1hr 41mins 11 secs, was considered a fast time for the 1km swim, 37km bike ride and 10km run, while his Northern State compatriot Soper finished in 1hr 53mins 19secs.

First home of the locals was second placegetter Leigh Birch (1hr 42mins 20secs), who finished 46 seconds ahead of Leigh Chapman.

Another local triathlete, Brendan Trotter, finished in fifth place.

First home of the local women was the ever-consistent Lisa Fletcher who finished third to Soper and Andra Boyle.

Fletcher broke the two-hour barrier with a time of 1hr 58mins 06secs.

Other local female triathletes who competed well were Samantha Grenside and Michelle Pinci.

Race co-director Judy Towns believes the times rate well, but it is always hard to compare times.

"Every triathlon is conducted under different conditions, so you cannot compare times from event to event, let alone year to year," Towns said.

"The Nepean Triathlon is a valued race on the triathlon calendar, especially because of the way it is run and the location of the event.

"We just want to thank the sporting and service groups and police who helped us out.

"They always do a terrific job, but we must also thank the RTA who closed one lane of the M4 Motorway especially for the event.

"That is the reason why it starts at 6am, but the competitors do not complain as it is in the coolest part of the day."

For Birch and Chapman, brother of Trent Chapman, it was a slightly disappointing end to their endeavours, finishing within seconds of standing on the winner's dais in their home triathlon.
